Option Three: Eco Home Urn

Keep your loved one's remains at home.

- Ready for a natural burial in the future, if desired
- Solid wall construction
- Natural wood locking pins that securely attach the lid to the base
- Handmade cotton pouch to hold loved one's cremated remains

SCATTERING URNS

Option Six: Eco Water Urn

Scatter their remains at sea.

- Housed in a bamboo case to protect water urn while stored and/or transported.
- Urn floats with top portion visible as bottom portion dissolves and frees the remains underwater.
- Use a marker to write messages on the urn.
